

'I am a British & World citizen. We are all making the world a better place!'

Maggie, Y2

'I love Board Meetings - I can share my ideas about all the amazing themes & world ideas.'

Ada, Y3

SMSC

'We Act to support **Good Chance** with so many fun projects'

Lewis, Y4

SMSC - Intent

- SMSC and Student Leadership is at the heart of Greenside. Our values and vision spin and sparkle through all of our learning in a planned and purposeful way; all students engage actively with these principles through a range of different contexts & Learning Experiences.
- Our weekly Board Meeting sets up a big question/ idea to stimulate thought and discussion in our SMSC sessions across the week.
- At Greenside we support our students be World Ready through our SMSC, World Religions & RHE curriculum.
- Our Greenside annual concept ***The Year of Magic, Mystery & Miracles*** (2022-2023) links all our ideas together so that our weekly SMSC weaves through our STAR Days and Film Crew Days.
- Students understand the way the world works from Democracy to local current issues. They are encouraged to ask questions, challenge ideas and make the world a better place.
- Students explore and celebrate equality & diversity to help formulate thoughts and opinions, to reflect on the world and to bring kindness and respect to Greenside and beyond.

At Greenside we incorporate the RHE guidance into our World Ready & SMSC curriculum.

SMSC - Implementation

SMSC can be seen everywhere at Greenside and beyond!

- Board Meetings - a place to start the week together & discuss big world questions and ideas. We might be singing, dancing or performing too.
- Morning SMSC sessions; we could be debating, writing songs & speeches, exploring poetry, analysing World News, participating in virtual meetings with professionals or students in our Trust. By the summer term you could hear us in a Viva!
- Students as Teachers initiative - showing our World Ready knowledge: we also make our own English & Maths Podcasts & ...Broadcast live Radio programmes!
- Student Leadership Teams: in each year group we are Film leaders who capture our learning & Digital Leaders who inspire students across the Trust. We are Arts Leaders who lead our Artsmark plan & Green Leaders who are saving the Planet and leading our Greenside Food Experience, garden & kitchen - we are growing, cooking & exploring everywhere!
- Our Charity work with **Good Chance** is incredible - we have fundraised and played a key part in **Little Amal's** journey. We were so lucky to be involved in the play **The Jungle!**
- Our Y6 students are Buddies to support our Reception class.
- We write, choreograph and support younger students in all aspects of our Greenside performances & productions - you will see us rehearsing everywhere!
- You will see us in Chess tournaments, Spelling Bees & Poetry Slams! (& more!)
- Our SMSC Learning is captured in our Black Books - do come and look!

SMSC

We are World Ready, kind and Student Leaders
